Logging in to the UCR SET Dashboards
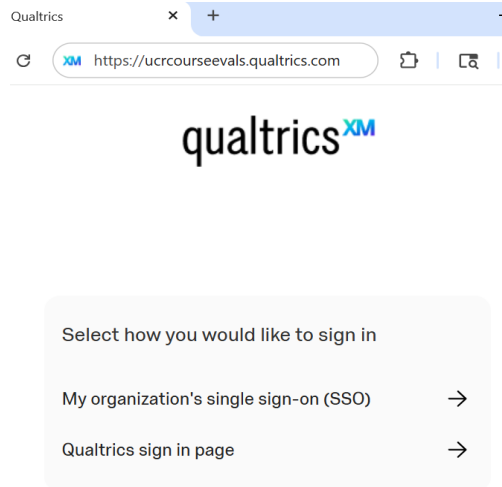

You can also use the following video as a guide: Logging in to the UCR SET Dashboards.

1. Navigate to https://ucrcourseevals.qualtrics.com
   - Once there, you will see the following screen.

2. Click on the "My organization's single sign-on (SSO) to log in with your UCR credentials.

3. If you are not logged in to a UCR account, fill in the username and password and follow the SSO process as you would normally do when logging in to UCR accounts.
